**Re: Notice of Extension to Respond to FOIA No. P504119**

Dear Ms. Best:

The Chicago Police Department received your Freedom of Information Act Request. Under the Freedom of Information Act, a public body may extend the time to respond to a FOIA request for a limited number of reasons. Pursuant to Section 5 ILCS 140/3(e) of the Act, the CPD is extending the time to respond to your request for the following reason(s):

- ( ) The requested records are stored in whole or in part at other locations other than the office having charge of the requested records;
- ( ) The requested records require the collection of a substantial number of specified records;
- ( ) The request is in categorical terms and requires an extensive search for the records responsive to it;
- ( ) The requested records have not been located in the course of routine search and additional efforts are being made to locate them;
- ( ) The requested records require examination and evaluation by personnel having the necessary competence and discretion to determine if they are exempt from disclosure or should be revealed only with appropriate deletions;
- (x) The request for records cannot be complied by the public body within the time limits prescribed by the Freedom of Information Act, 5 ILCS 140/3(c), without unduly burdening or interfering with the operations of the public body;
- (x) There is a need for consultation, which shall be conducted with all practicable speed, with another public body or among two or more components of any public body having a substantial interest in the determination or in the subject matter of the request.

Sincerely,

Kendra Moore  
Freedom of Information Officer
